

## **2007 Requirements for New Affiliates**

The following list details the requirements to become a part of the KGA network of EAP affiliates.

KGA affiliates must be:

- ◆ licensed at the highest level of their profession (i.e. at the independent level of licensure). CEAPs are encouraged.
- ◆ familiar with and comfortable with the short-term EAP model
- ◆ able to see clients within 72 hours of the referral
- ◆ willing to sign our confidentiality agreement
- ◆ Have at least 5 years of post-graduate clinical experience. Our average affiliates have been in the field for 10 years.
- ◆ Malpractice insurance - minimum \$1 million/\$3million

If you are contacting us from a group practice, then we would like to complete an affiliate interview, review our policies, procedures, etc. with at least one clinician in the practice, preferably one of your principals.
