

## SENSITIVITY AWARENESS TRAINING- LIVE!

### TRAINING PROGRAMS FOR MANAGERS AND EMPLOYEES

Manager Sessions: 3 hours  
Employee Sessions 90 minutes  
Ideal Group Size: 15-20 Participants

Are your employees tired of the standard approaches to Sexual Harassment Prevention and Sensitivity Awareness training? This presentation uses improvisational actors and a veteran trainer to present live vignettes to illustrate difficult workplace issues. These captivating scenes depict real life examples of miscommunication, inappropriate ethnic and religious remarks, and unintentional harassment by teasing and joking. Actors also demonstrate helpful tips for responding to such situations, assessing one's own behaviors, and determining when and how to apologize.

#### ATTENDEES WILL:

- Improve skills in confronting inappropriate behavior
- Use alternative methods for improved communication
- Discuss difficult employee relations issues
- Discover new ways to prevent harassment in the workplace
- Increase sensitivity to others
- Learn how to create a more comfortable work environment

### INSTRUCTOR

Karen Shaw is a Senior Training Consultant at KGA, Inc. (Kathleen Greer Associates) where she conducts training sessions and facilitates workshops. She has provided counseling and training to corporations for over twenty years, most recently at Avery

Dennison where she was manager of the EAP. Her training topics include Sexual Harassment Prevention, Stress and Time Management, Change Management, EAP Manager Training, and Substance Abuse Prevention. Karen received an M.S.W. from Boston College and an M.Ed. in Guidance and Counseling from Loyola University in New Orleans.

Karen conducts these sessions with the help of two improvisational actors.
